**ZONING COMPLIANCE PERMIT REQUIREMENTS  
FOR  
WATERFRONT PROPERTIES**

The Zoning Administrator requires that every application for construction, moving, alteration, or change to properties located on Paw Paw Lake, Little Paw Paw Lake, and Lake Channels provide the following information.

**Show the actual shape, location, and dimensions of the lot.**

- 1. The shape, size, and location (front, rear and side dimensions) of all buildings or other structures to be erected, altered, or moved, and of any other buildings or other structures already on the lot.**
- 2. Amount of square footage on the proposed dwellings first floor area, and all additional floors.**
- 3. Such other information concerning the lot or adjoining lots as may be essential for determining whether the provisions of the WA Waterfront Overlay District have been met.**
- 4. The 45-degree view protection of existing dwellings of the adjoining properties or 35-foot lakefront setback requirement whichever is greater.**
- 5. Any known easements on the property.**

**Checklist-Major points**

- 1. Minimum Front Yard (Waterfront Side) Setback: The Waterfront 45 degree setback or thirty-five (35) feet from the shoreline, whichever is greater.*
- 2. Proper square footage requirements met concerning each story proposed. Minimum square footage for 1-story building is 1,000 square feet. Two-story minimum first floor requirement 800 square feet, with total for both floors being 1,600 square feet. (Living space, excluding garage, breezeway, unfinished attic, basement, enclosed, or un-enclosed porches.)*

WA Waterfront overlay district regulations are available that explain these requirements in detail.
