Mr. Cecil Martin wanted to know why his assessment value keeps going up and the value of his house has gone down. Supervisor Parrigin stated the township board has no control of the increased assessment amount.

Ms. Normalou said she had heard there was going to be a change in the police department. Supervisor Parrigin stated we have not received any thing official, but the Police Chief has informed his staff of his intention to retire.

Mr. Rory Bell wanted to thank the chief and Mr. Parrigin for the opportunity to have one of the old police cars to use as the Community Resource School Car. Rory also stated they have received donations from the community and businesses to help pay for the lettering on the vehicle. The car was at the last football game and was a great success. The car is to be used to increase police involvement in the schools in a positive way. The police department is also working on other educational programs with the school such as a puppet show, babysitting etc. Rory said the car would be available after the meeting if anyone wanted to see it.

Kevin Leitz apologized to Mary Francis Styers for taking her signs down. He told her he thought it was illegal to have signs in the township right-of-way. Ms. Styers said there are still signs out from the election.

Wyatt Vandron wanted to know why we can't do anything with the ditches on Ryno Road. Supervisor Parrigin stated they are on the list to be fixed. Supervisor Parrigin invited Mr. Vandron to participate with him in a conference call with the drain commissioner.
